MARINERS PLAYER TO PRAISE

By James Watts

MATT MILLAR

After a great performance on his debut against Perth Glory earlier on in the season, Matt Millar has become a mainstay in the Mariners starting eleven and has been the player on every fan's lips. In 11 games, he was voted by the fans FIVE times as the player of the match.

Solid performances for Dandenong Thunder in the Victorian NPL saw Millar earn a move to Melbourne City where he mainly played in the youth team. Millar would make his professional debut for City in a 2015 FFA Cup clash with Perth Glory. His A-League debut would see him come off the bench against the Newcastle Jets before going on to make three more appearances for the club.

Unfortunately, Millar could not nail down a permanent role with City and he returned to the Victorian NPL in 2016, this time for reigning premiers South Melbourne. Millar would hit a rich vein of form for the side and scored seven goals in 14 appearances which saw him earn a contract extension. Millar amassed 69 appearances for the Victorian side, scoring 18 goals in the process.

A brilliant two years in the NPL saw Millar earn a trial at the Mariners where he would impress Mike Mulvey. Millar would make his debut against Perth Glory and repaid the faith shown by Mulvey as he put in a man of the match performance. Millar has nailed down the right back spot as his own and looks like a threat every time he is bombing down the sideline.

With good service to Matt Simon and Jordan Murray, Matty Millar along with the rest of the Central Coast Mariners could send Brisbane home empty handed.

ROAR PLAYER TO PRESSURE

By James Watts

JAMIE YOUNG

Jamie Young has undoubtedly been one of the most consistent goalkeepers for the last couple of A-League seasons. Since arriving at the Roar in 2014, Young has pulled off top draw saves that have helped Brisbane achieved consistent finals qualifications.

After being released by Wycombe Wanderers, Young joined Aldershot Town and after a good first season where the team made the League Two Play-Offs, Young established himself as the first-choice keeper. He would enjoy a 3-year spell for the side before their eventual relegation from the Football League due to financial issues.

He was subsequently let go by the club and floated around the English conference leagues with Basingstoke, Hayes & Yeading and Whitehawk.

Young then returned to his hometown of Brisbane where he signed for the Roar for the 14/15 season. After a frustrating start for the goalkeeper, Young managed to consistently make it into the first team and would soon enough become the Roar's main shot stopper.

Young has managed to impress Roar fans and the neutrals with incredible saves week in and out. His form for the 2017/18 season was noticed and he was awarded the A-League goalkeeper of the year at the Dolan Warren award night.

Young will have to be at the top of his game as Brisbane visit the Central Coast who will be wanting to give everything they have in front of the loyal Yellow and Navy fans.
